

THE SAFETY CRISIS OF WOMEN LEGISLATORS

OUR COMPREHENSIVE RESEARCH WITH LEGISLATORS* HAS REVEALED THE FOLLOWING.

THE CURRENT SAFETY LANDSCAPE

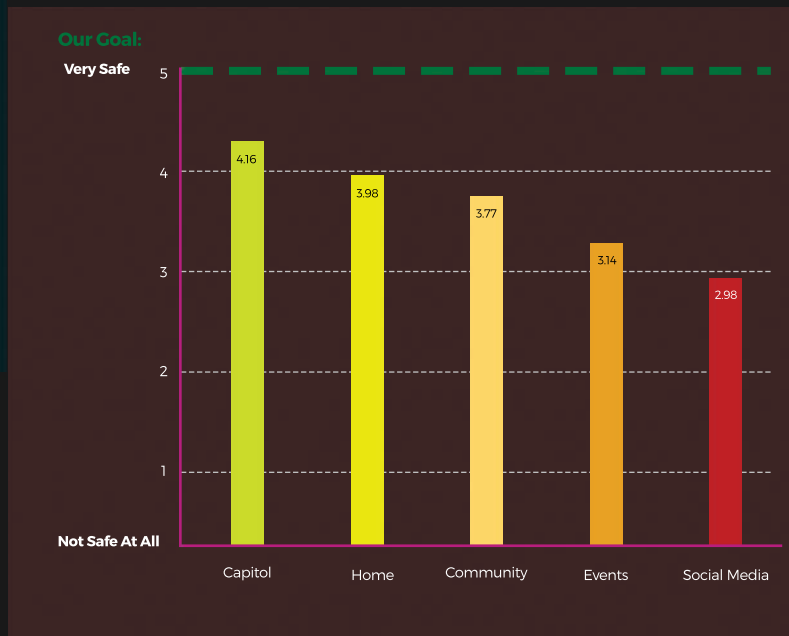

THE SAFETY SYSTEMS & SUPPORTS NEEDED

- POLICY SOLUTIONS
- RESOURCE SUPPORT
- TOOLS & TECHNOLOGY

HOW LEGISLATORS PROTECT THEMSELVES

- Install home security systems
- Hire private security
- Buy weapons to feel safer
- Avoid traveling alone
- Limit public appearances

WHERE LEGISLATORS FEEL SAFE OR NOT

TOP LEGISLATOR IDENTIFIED SAFETY SOLUTIONS

- Better security measures & swifter response
- Clear & easy to use threat reporting systems
- Reliable law enforcement support
- Effective online privacy protections
- Increased training on handling threats
- Comprehensive mental health supports

We are a nonpartisan nonprofit r&d organization working to inform, empower, and support women running for and serving in state legislatures nationwide. In addition to our technology solutions, we are building a community of Ambassadors of Safety committed to improving the safety of women legislators everywhere. Join us at ghoshinnovationlab.org/safety-ambassadors
